

Join us in promoting Yakima's Relay for Life, and make this year a MEGA EVENT.

It's always amazing to see how generous and engaged Yakimans are in their support of great causes. The willingness to step up when there is a critical need is one of the most prevalent reasons that this is such a great place to live and do business.

One amazing example is what the American Cancer Society's "Relay for Life" has done right here in Yakima. If you're not familiar with the history behind "Relay for Life", please visit this link; (www.relayforlife.org/learn/whatisrelay) and see for yourself.

Fred Warren, Event Chair, and the rest of his volunteer staff have set a goal to make the 2013 "Yakima Relay for Life" a **Mega Event**, which would make it the only one in the district which is represented by eight states. Relay for Life events are held all around the world and in many communities here in Washington, but to be a **Mega Event** the Relay must net \$200,000. The 2012 Relay exceeded \$191,000.

Please help make Yakima a special community that cares about each other and comes together to fight cancer.

For more information contact Fred Warren at FWWarren@shieldsbag.com. If you are interested in forming a team please contact Eva Lounsbury at evamarielou@gmail.com. If you are a business that would like to sponsor a team or have a fund raiser please contact Dianna Warren at diannalwarren@aol.com. If you have questions about advocacy and helping at the Federal and State level please contact Jeff Brantner at jbrantner@shieldsbag.com.

We are Relayers, we are the official sponsors of birthdays and we make HOPE HAPPEN.
