Greg Huefner, MSPT, CMP
Local Physical Therapist Awarded Certification in Advances in Hip Preservation

YAKIMA, WA, OCTOBER 21, 2013 — Gregory Huefner, Physical Therapist and co-owner of **Peak Performance Sports and Spine**, recently completed training in "Advances in Hip Preservation – Surgery, Rehabilitation and Sports Performance" sponsored by Hospital for Special Surgery, New York City.

This course focuses on the rapidly developing treatment methods for hip disorders, advances in diagnosis, surgical procedures and rehabilitation and provides specialized skills to improve patient outcomes.

Peak Performance Sports and Spine is an outpatient Physical Therapy clinic with two locations to serve you – 2505 Racquet Lane, located in the lower level of the Yakima Athletic Club and 2500 Business Lane, located in the YAC Fitness building in Terrace Heights.

For more information regarding Hip Preservation treatment, call (509) 453-PEAK (7325).
