**Memorial Physicians opens 3<sup>rd</sup> Healthy Now clinic  
Convenient care clinic treats minor illnesses quickly, comfortably**

**YAKIMA** – Memorial Physicians is pleased to announce that a new Healthy Now clinic has opened in West Valley to meet the demand for convenient care for minor illnesses.

Healthy Now treats a variety of non-urgent illnesses and injuries that might not be serious enough for a trip to the emergency room, but still require treatment even if your own doctor is unavailable. Services offered include treatment for colds, flu, sore throats, ear aches, minor burns and sprains and strains.

The new clinic, which is located at 120 S. 72<sup>nd</sup> Ave., is the third Healthy Now clinic opened by Memorial Physicians to serve patients. The first Healthy Now clinic opened in December 2013 at 3909 Creekside Loop. A second Healthy Now clinic opened in May at 3904 Terrace Heights Dr.

Healthy Now is open 7 a.m. to 7 p.m. Monday through Saturday. Walk-ins are welcome, and appointments can be scheduled online in advance at [www.healthynowclinic.com](http://www.healthynowclinic.com).

Healthy Now accepts most insurance plans and Medicare. The copayment for your specific plan will be collected during your visit. Please have your insurance card and proof of ID at the time of your visit. If you haven't met your deductible, don't have insurance or don't have a plan, we currently accept cash, credit cards and debit cards.
