FOR IMMEDIATE RELEASE

Yakima Tennis Club Breaking Ground on New Clubhouse Construction at YTC Outdoor Facility to Begin October 15th

Yakima, WA. Oct. 9th, 2014 – The Yakima Tennis Club is pleased to announce the ground breaking ceremony, celebrating the start of construction of their new outdoor clubhouse facility, on Wednesday, October 15 at 10:00 AM. A fire destroyed the clubhouse, located at 516 N. 35th Ave, on May 11, 2014.

The new clubhouse is designed by KDF Architecture's *Megan Beyer*, who has been a YTC member since childhood. Construction will begin immediately by Concord Construction, the general contractor. Completion is scheduled for June 1, 2015.

The Yakima Tennis Club hosts tournaments year round, attracting participants from the entire Northwest, including Alaska. The United States Tennis Association of the Pacific Northwest recently honored YTC, selecting them as the 2014 USTA League Organization of the Year. AnnElise Anderson, YTC's Marketing and Office Manager, along her mother, Nanette, and brothers Cooper and Mitchell, recently received the USTA/PNW 2014 Family of the Year award. This award recognizes families that promote the sport of tennis through their involvement and volunteerism.

The Yakima Tennis Club was founded in 1958 and remains the only year-round tennis facility in the Yakima area. In addition to the outdoor facility, which boasts 13 courts plus outdoor swimming pools, the indoor facility, with 8 courts, is located at 2505 Fruitvale Boulevard.
