Cowiche Canyon Conservancy's Fall Colors Walks
For Immediate Release

Cowiche Canyon Conservancy's annual Fall Colors Walks will take place Saturday, October 25th starting at 10 am at Snow Mountain Ranch. CCC's docents will offer walks and hikes of varying lengths to experience the gorgeous colors of this fall season. There is no charge to participate.

Groups will start from the parking lot at the Snow Mountain Ranch site on Cowiche Mill Road, just west of Cowiche Creek Nursery. Meet at the check-in station in the parking lot where volunteers will be available to assist with trail selection. The hikes will be family friendly and geared to all ages and abilities, from short ½ mile flat trail walks, to the 5 mile Cowiche Mountain Trail hike up to the top. Trails have been developed from old farm and game trails and are not paved. Walkers should come prepared with layers of clothing for variable weather, sunscreen, sturdy shoes, water and cameras.

For more information, please email info@cowichecanyon.org or call (509) 248-5065.
